B. GENERAL INFORMATION

1. Notice

- This prospectus only applies to Treasury notes issued under this prospectus.

2. Advantages of the Treasury note

- It is transferable and negotiable.
- It can be pledged as collateral.
- The rate of return is competitive.
- It is issued through market-based procedures.

3. Auction Process

- A press release will be issued before each auction, announcing the auction date and other terms and conditions.
- Investors are invited to submit bids using prescribed tender forms, which will be available from Reserve Bank of Malawi offices and website as well as commercial bank offices.
- The auction for this 3-year note will be conducted on a multiple price bid basis whereby each successful bidder pays the price quoted for the amount tendered. Bids are listed, starting with the highest bid price, down to the lowest bid price that exhausts the face value amount of the note offered for sale.
- Results of the auction will be published on the Reserve Bank of Malawi website: <http://www.rbm.mw> as well as in the print media.

4. Payment and Settlement Procedures

- Successful bidders are obliged to settle their bids within two days from the auction date (T+2).
- Payment shall be received by 15:00 hours on value date by debit of customer accounts at commercial banks.
- In case of non-compliance with the time limit for payment, successful bidders will be disqualified from participation in subsequent auctions. In case of failed settlement, Reserve Bank of Malawi reserves the right to indefinitely bar the investor from participating in all or subsequent auctions.
- Coupon will be paid semi-annually by crediting customer accounts at commercial banks.

5. Redemption

- On maturity, the notes will be redeemed directly at Reserve Bank of Malawi.
- Investors will receive the par value (100 percent) of their respective bids.

6. Secondary Market Trading

- After the primary auction, the note may be traded on the Malawi Stock Exchange.
- Rules and guidelines for trading notes on the Malawi Stock Exchange shall apply.
- The listing price for the note shall equal the weighted average price from the primary auction.
- Malawi Stock Exchange will notify Reserve Bank of Malawi immediately after transactions occur to allow Reserve Bank of Malawi update its register with respect to holders of respective securities.
